### FOR MASSHEALTH APPLICANTS

On behalf of myself and all persons listed on this application, I understand, represent, and agree as follows.

1. MassHealth may require eligible persons to enroll in available employer-sponsored health insurance if that insurance meets the criteria for MassHealth payment of premium assistance.
2. Employers of eligible persons may be notified and billed in accordance with MassHealth regulations for any services that hospitals or community health centers provide to such persons that are paid for by the Health Safety Net.
3. I may have to pay a premium for health coverage for myself and others listed on this application. Failure to pay any premium due may result in the state deducting the amount owed from the tax refunds of responsible persons. If I am a certain American Indian or Alaska Native, I may not have to pay premiums for MassHealth.
4. MassHealth has the right to pursue and get money from third parties who may be obligated to pay for health services provided to eligible persons enrolled in MassHealth programs. Such third parties may include other health insurers, spouses, or parents obligated to pay for medical support, or individuals obligated to pay under accident settlements. Eligible persons must cooperate with MassHealth in establishing third-party support and obtaining third-party payments for themselves and anyone whose rights they can legally assign. Eligible persons may be exempted from this obligation if they believe and tell MassHealth that cooperation could result in harm to them or anyone whose rights they can legally assign.
5. A parent and/or guardian of minor children must agree to cooperate with state efforts to collect medical support from an absent parent unless they believe and tell MassHealth that cooperation will harm the children or the parent or guardian.
6. Eligible persons who are injured in an accident, or in some other way, and get money from a third party because of that accident or injury must use that money to repay MassHealth or the Health Safety Net for certain services provided.
7. Eligible persons must tell MassHealth or the Health Safety Net, in writing, within 10 calendar days, or as soon as possible, about any insurance claims or lawsuits filed because of an accident or injury.
8. The status of this application may be shared with a hospital, community health center, other medical provider, or federal or state agencies when necessary for treatment, payment, operations, or the administration of the programs listed above.
9. To the extent permitted by law, after notice and an opportunity to appeal, MassHealth may place a lien against any real estate owned by an eligible MassHealth member or in which the eligible member has a legal interest, if the member is receiving long-term care in a nursing facility or other medical institution and MassHealth determines that the member is not reasonably expected to return home. If MassHealth puts a lien against such property and the property is later sold, money from the sale of that property may be used to repay MassHealth for medical services provided.
10. To the extent permitted by law, and unless exceptions apply, for any eligible person age 55 or older, or any eligible person regardless of age for whom MassHealth helps pay for long-term care in a nursing home or other medical institution, MassHealth will seek money from the eligible person's estate after death for the total cost of care. For more information on estate recovery, visit [mass.gov/EstateRecovery](http://mass.gov/EstateRecovery).

11. Eligible persons must tell the health care program(s) in which they enroll about any changes in their or their household's income or employment, household size, health insurance coverage, health insurance premiums, and immigration status, or about changes in any other information on this application and any supplements to it within 10 calendar days of learning of the change. Eligible persons can make changes by calling (800) 841-2900; TTY: 711 for people who are deaf, hard of hearing, or speech disabled. A change in information could affect eligibility for such persons or for persons in their household.

You can also report changes in any of the following ways.

- Send the change information to  
Health Insurance Processing Center  
PO Box 4405  
Taunton, MA 02780.
  - Fax the change information to (857) 323-8300.
12. MassHealth, the Massachusetts Health Connector, and the Health Safety Net will obtain from eligible persons' current and former employers and health insurers all information about health insurance coverage for such persons. This includes, but is not limited to, information about policies, premiums, coinsurance, deductibles, and covered benefits that are, may be, or should have been available to such persons or members of their household.
  13. MassHealth, the Massachusetts Health Connector, and the Health Safety Net may get records or data about persons listed on this application from federal and state data sources and programs, such as the Social Security Administration, the Internal Revenue Service, the Department of Homeland Security, the Department of Revenue, and the Registry of Motor Vehicles, as well as private data sources, including financial institutions, 1) to

prove any information given on this application and any supplements, or other information given once a person becomes a member, 2) to document medical services claimed or provided to such persons, and 3) to support continued eligibility.

14. In connection with the eligibility and enrollment process, MassHealth, the Massachusetts Health Connector, and the Health Safety Net may send notices that contain personal information about persons listed on this application to other persons on this application, or otherwise communicate such information to such persons.
15. Under federal law, discrimination is not permitted on the basis of race, color, national origin, sex, age, sexual orientation, gender identity, or disability. I can file a complaint of discrimination by going to [www.hhs.gov/ocr/complaints/index.html](http://www.hhs.gov/ocr/complaints/index.html).
16. I agree to allow the Massachusetts Health Connector to use income data, including information from tax returns, to determine my eligibility in future years. Review the Health Connector Privacy Policy for more information about how the Health Connector uses your tax information. The Massachusetts Health Connector will send me a notice and let me make changes to my eligibility application. I understand that if I am eligible for an Advance Premium Tax Credit (APTC) and/or ConnectorCare, these payments will be made directly to my selected insurance carrier(s). Acceptance of APTC and/or ConnectorCare may impact my annual tax liability. I will be given the option to apply all, some, or none of any APTC amount I may be eligible for to my monthly premium.

### Department of Transitional Assistance (DTA) Notice of Rights, Responsibilities and Penalties

This notice lists rights and responsibilities for all DTA programs. You must follow the rules for programs you apply for.

Please read these pages and keep them for your records.

Let DTA know if you have any questions.

I swear under penalty of perjury that:

- I have read the information in this form, or someone read it to me.
- My answers in this form are true and complete to the best of my knowledge.
- I will give DTA information that is true and complete to the best of my knowledge during my interview and in the future.

I understand that:

- giving false or misleading information is fraud,
- misrepresenting or withholding facts to get DTA benefits is fraud,
- fraud is considered an Intentional Program Violation (IPV), and
- if DTA thinks I committed fraud, DTA can pursue civil and criminal penalties against me.

I also understand that:

- DTA will verify the information I give with my application. If any information is false, DTA may deny my benefits.
- I may also be subject to criminal prosecution for providing false information.
- If DTA gets information from a reliable source about a change in my household, my benefit amount may change.
- By signing this form, I give DTA permission to verify my eligibility for benefits, including:
  - Get information from other state or federal agencies, local housing authorities, out-of-state welfare departments, financial institutions, and Equifax Workforce Solutions (the Work Number). I also give these agencies permission to share information about my household's eligibility for benefits with DTA.

- If DTA uses information from Equifax about my household earned income, I have the right to a free copy of my Equifax report if I request it within 60 days of DTA's decision. I have the right to question the information in the report. I may contact Equifax at: Equifax Workforce Solutions, 11432 Lackland Road, St. Louis, MO 63146, 1-800-996-7566 (toll free).
- I have a right to a copy of my application, including the information that DTA uses to decide about my household's eligibility and benefit amount. I can ask DTA for an electronic copy of the completed application.

### How will DTA use my information?

By signing above, I give DTA permission to get information from and share information about me and members of my household with:

- Banks, schools, government, employers, landlords, utility companies and other agencies to check if I am eligible for benefits.
- Electric, gas and telephone companies so I can get utility discounts. The companies cannot share my information or use it for any other purpose.
- The Department of Housing and Community Development to enroll me in the Heat & Eat Program. This program helps people get the most SNAP benefits possible.
- The Department of Early and Secondary Education so my children can get free school meals.
- The Woman, Infants and Children (WIC) Program so that any children under age 5 or a pregnant woman in my household can get WIC.
- The United States Citizenship and Immigration Services (USCIS), to verify my immigration status. Information from USCIS may affect my household's eligibility and amount of DTA benefits.

Note: Even if you are not eligible for benefits due to immigration status, DTA will not report you to immigration authorities unless you show DTA a final order of deportation.

- The Department of Revenue (DOR) to verify my eligibility for income-based tax credits, such as Earned Income and Limited Income, and to see if I am eligible for "No Tax Status" or hardship status.
- The Department of Children and Families (DCF) to coordinate services offered jointly by DTA and DCF.

### How does DTA use Social Security Numbers (SSNs)?

DTA is allowed to ask for SSNs under The Food and Nutrition Act of 2008 (7 U.S.C. 2011-2036) for SNAP and under M.G.L. c. 18 Section 33 for TAFDC and EAEDC. DTA uses SSNs to:

- Check the identity and eligibility of each household member I apply for through data matching programs.

- Monitor compliance with program rules.
- Collect money if DTA claims I got benefits that I was not eligible for.
- Help law enforcement agencies catch people hiding from the law.

I understand that I do not have to give DTA the SSN of any non-citizen in my household, including myself, who does not want benefits. The income of a non-citizen may count even if the non-citizen does not get benefits.

### Right to an Interpreter

I understand that:

- I have a right to a free professional interpreter provided by DTA if I prefer to communicate in a language other than English.
- If I have a DTA hearing, I can ask DTA to give me a free professional interpreter, or if I prefer, I can bring someone to interpret for me. If I need DTA to give me an interpreter for a hearing, I must call the Division of Hearings at least one week before the hearing date.

### Right to Register to Vote

I understand that:

- I have the right to register to vote through DTA.
- DTA will help me fill out the voter registration application form if I want help.
- I can fill out the voter registration application form in private.
- Applying to register or declining to register to vote will not affect my DTA benefits.

### Employment Opportunities

I agree that DTA may share my name and contact information with employment and training providers, including:

- SNAP Path Work providers or DTA specialists for SNAP clients; and
- Contracted Employment and Training providers or Full Engagement Workers for TAFDC clients.

SNAP clients may voluntarily participate in education and employment training services through the SNAP Path to Work program.

### Citizenship Status

I swear that all members of my household applying for DTA benefits are either U.S. citizens, or lawfully residing noncitizens.

### Supplemental Nutrition Assistance Program

I understand that:

- DTA manages the SNAP program in Massachusetts.
- When I file an application with DTA (by phone, online, in person, or by mail or fax), DTA has 30 days from the date it got my application to decide if I am eligible.
  - If I am eligible for expedited (emergency) SNAP, DTA has to give me SNAP and make sure I have an Electronic Benefit Transfer (EBT) card within 7 days from the date they got my application.

- I have a right to speak to a DTA supervisor if:
  - DTA says I am not eligible for emergency SNAP benefits, and I disagree.
  - I am eligible for emergency SNAP benefits, but do not get my benefits by the 7th day after I applied for SNAP.
  - I am eligible for emergency SNAP benefits but do not get my EBT card by the 7th day after I applied for SNAP.

- When I get SNAP, I have to meet certain rules. When I am approved for SNAP, DTA will give me a copy of the “Your Right to Know” brochure and the SNAP Program brochure. I will read the brochures or have someone read them to me. If I have any questions or need help reading or understanding this information, I can call DTA at 1-877-382-2363.

- Telling DTA about changes in my household:
  - If I am a SNAP Simplified Reporting household, I do not have to report most changes to DTA until the Interim Report or Recertification is due. The only things I have to report sooner are:

If my household’s income goes over the gross income threshold (listed on my approval notice). I have to report this by the 10th day of the month after the month my income went over the threshold.

If I have to meet the Able-Bodied Adults Without Dependents (ABAWD) Work Rules and my work hours drop below 20 hours per week.

- If everyone in my household is 60 or older, disabled, or under 18 years old, and no one has earnings from work, the only things I have to report are:

If someone starts working, or Someone joins or leaves my household.

I have to report these changes by the 10th day of the month after the month of the change.

- If I get SNAP through Transitional Benefits Alternative (TBA) because my TAFDC stopped, I do not have to report any changes to DTA for the 5 months that I get TBA.
- If I get SNAP through Bay State CAP, I do not have to report any changes to DTA.

If I and everyone in my household gets cash assistance (TAFDC or EAEDC), I must report certain changes to DTA within 10 days of the change. See When do I need to tell DTA about changes in my household? under Transitional Aid to Families with Dependent Children (TAFDC) and Emergency Aid to the Elderly, Disabled, and Children (EAEDC) below.

I may get more SNAP benefits if I report and give DTA proofs for the following, at any time:

- Child or other dependent care costs, shelter costs, and/or utility costs;
- Child support that I (or someone in my household) is legally required to pay to a non-household member; and
- Medical costs for members of my household, including myself, who are 60 or older or disabled.

Work rules for SNAP clients: If you get SNAP benefits and are between the ages of 16 and 59 you may need to meet general SNAP work rules or the ABAWD work rules unless you are exempt. DTA will tell me and members of my household if we need to meet any Work Rules, what the exemptions are, and what will happen if we do not meet the rules.

If you are under the SNAP Work Rules, you must:

- Register for work at application and when you recertify for SNAP. You register when you sign the SNAP application or recertification form.
- Give DTA information about your employment status when DTA asks.
- Report to an employer if referred by DTA.
- Accept a job offer (unless you have a good reason not to).
- Not quit a job of more than 30 hours a week without a good reason.
- Cut your work hours to less than 30 hours a week without a good reason.

#### **SNAP Rules**

- Do not give false information or hide information to get SNAP benefits.

### When do I need to tell DTA about changes in my household?

I must tell DTA about changes that could affect my TAFDC or EAEDC (cash benefits) within 10 days, except that I do not have to tell DTA about a change in my earnings of less than \$100 per month. This includes changes in my income, assets, address, who I live with, family size, work, and health insurance.

### How do I get health insurance?

- If I get TAFDC or EAEDC, I will get MassHealth too.
- If I am denied TAFDC or EAEDC, MassHealth will use my information to see if I am eligible for health insurance.
- If my EAEDC stops, I need to apply for MassHealth separately. To ask for an application call 1-800-841-2900.

If I get MassHealth, I agree that MassHealth may collect:

- money owed to me from another source for my medical care, and
- medical support from the absent parent of any child under age 19 who gets MassHealth benefits.

### Are there special rules if I am eligible only because of an accident or injury?

The money could be from an insurance policy, a settlement, or any other source. This applies even if I do not know what the possible sources of money are yet.

I agree to cooperate with MassHealth and DTA by:

- Filing claims for money from other sources.
- Telling MassHealth and DTA right away about any insurance claim, lawsuit, or other process to get money.
- Giving MassHealth and DTA new information when I get it.

If I don't cooperate, MassHealth and DTA may stop or deny my benefits. I agree that MassHealth and DTA may:

- Share information about my benefits to collect money to repay those benefits.
- See all records about money I might get due to the accident or injury, such as records at the Department of Industrial Accidents.

If I am getting EAEDC because I have a disability or I am over 65 years old, I have to apply for federal Supplemental Security Income (SSI) benefits. If I am approved for SSI benefits that cover the same time that I got EAEDC, the Social Security Administration will send some of my retroactive SSI to DTA to repay the EAEDC.

- forever for the third violation

In addition, other laws may apply.
