

HEALTH CARE FOR ALL

THE STATE OF MASSHEALTH REDETERMINATIONS

MassHealth redeterminations began on January 15th, 2015. Since then ~500K MassHealth members have received letters asking them to reapply for MassHealth.

Redetermination Universe as of 5/6/2015

	Action Taken	Number of Members	Percent of Redetermination Universe
Total MH members needing to reapply		503,286	100%
	Responded - submitted application or renewal extension form	311,993	62%
	Haven't Responded	191,293	38%

Members who have responded (62% of the redetermination universe) fall into one of the following categories:

- Coverage is protected/extended through June 30th (they submitted a renewal extension form)
- Application has been processed
- Application is not yet processed (their paper application is on a backlog).

MassHealth Members Who Have Responded as of 5/6/2015

	Status	Number of Members	Percent from Total Redetermination Universe
Total MH members who have responded		311,993	62%
	Protected Status (Need to Apply before June 30 th)	24,801	5%
	Processed Application	195,049	39%
	Unprocessed Application	92,143	18%

Among applicants that have had their redetermination application processed, nearly 75% (~146K) remain eligible for MassHealth benefits. Applicants that are no longer eligible for MassHealth but qualify for subsidized coverage through the Connector (ConnectorCare or APTC) make up 17% (~34K) of the processed application universe.

Eligibility Determinations on Processed Applications as of 5/6/2015

	Number of Members	Percent from Processed Application Population
Still Eligible for MassHealth	146,031	75%
Subsidized Coverage through the Connector	33,706	17%
Unsubsidized Coverage through the Connector	12,546	6%
Not Eligible for MassHealth or Connector Coverage	2,766	2%
